## COMMISSIONS (Additional Information)

- If I accept your commission, please send a full description and any photo references (if necessary) to my email, Melty.commissions@gmail.com! If you are looking to have me draw you an OC (original character), this is fine, but I ask you to be as descriptive as possible.
- Payment will be via PayPal ONLY. (USD) I require payment upfront. Once the payment is settled, then I will begin the artwork.
- No deadlines. I have a busy and unpredictable schedule, but I will do my best to complete your commission in a timely manner.
- Flat color backgrounds will be provided with your commission. If you would like a detailed background instead, please let me know in your email. The price of the commission may change depending on the detail.
- I have the right to refuse any commission, especially if I feel if it is out of my skills or the style I normally draw in. I will not draw porn, gore, excessive violence, NSFW or anything hateful, harmful or nude.
- Please understand that the above commissions described are the only ones I am taking at this time. If you have any questions at all, please do not hesitate to ask!

### *What you will receive:*

*You will receive a A4 300 DPI PNG image, but this file format can be changed upon request.*
